# MORE ABOUT CENTER PIECES

## Center Pieces

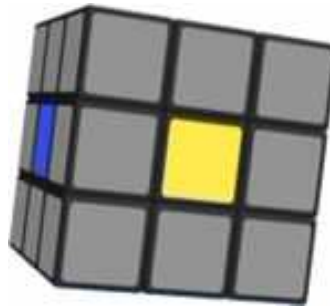

They never move.

They represent the color of their side.

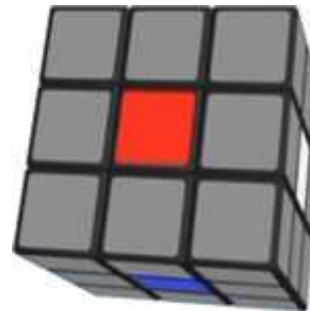

Always opposites:

- White & Yellow
- Red & Orange
- Green & Blue

**Yellow Side**

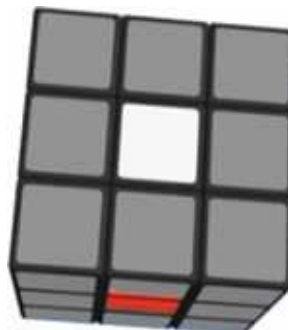

**Red Side**

**Blue Side**

**White Side**

**Orange Side**

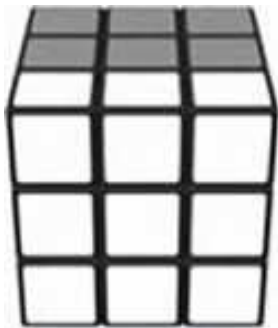

**Green Side**

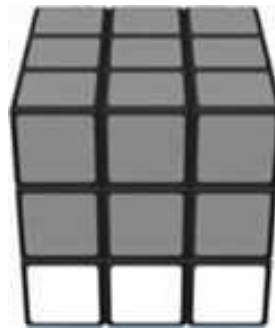

# LEARN THE FACES

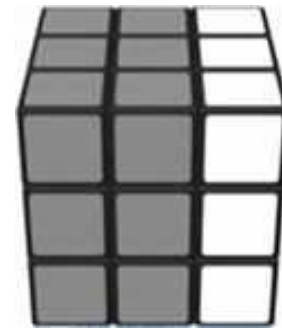

**F = Front Face**

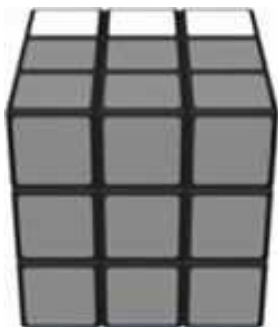

**D = Down Face**

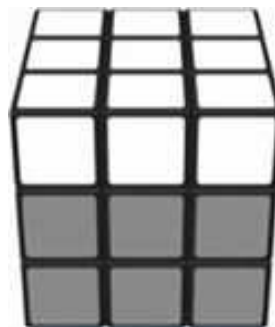

**R = Right Face**

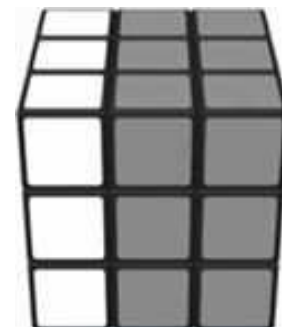

**B = Back Face**

**U = Up Face**

**L = Left Face**

# LEARN THE MOVES

Each move is a 1/4 turn rotation

**i = inverted (counter-clockwise)**
